Our parishes are home to many families facing profound challenges: broken families, orphans, and widows enduring deep grief. Some are on the verge of homelessness, grappling with substance abuse, addictions, food insecurity, neglect, and mental health struggles. Others include mothers fleeing domestic violence with their children, transitional-aged youth, and grandparents raising grandchildren. These families are in desperate need of our compassion and support.

With over 50 years of dedicated service, Olive Crest has been a beacon of hope for families in distress. This event will equip you with the knowledge and tools to bring healing, comfort, and hope to those in dire need of God's love and grace.

By attending you will:

- Discover how your parish can create Care Communities that effectively support and uplift families.
- Learn practical ways to bear the burdens of our community members.
- Strengthen your ability to respond to crises with compassion and faith.
- Gain insights into additional supportive resources to help your parish families and children.
